Quick Recap....

Welcome back and happy new year to all Zontians!

After a packed full 2012, it was really lovely to wind down and celebrate Christmas with a quiet evening at Scotties. The food was amazing as was the company and we were thrilled to be able to hand over our wonderful Christmas hamper, full of goodies, to Colleen on behalf of Roseberry Community Services.

We also farewelled Meredith who has moved to Mackay to be closer to family - all the very best M, you will be sorely missed.

Zonta ladies celebrate a fabulous 2012!

Our thoughts are with Sue as she recovers from a terrible accident and has had surgery on her knee. Get Well Soon!

Congratulations Alison on your retirement!

Introducing a new member - please follow this protocol...

1. Give name, contact details, occupation and workplace for proposed member to the OMC chair;
2. The OMC chair will circulate the details to all members;
3. Do not notify the proposed member of their nomination until AFTER their name has been circulated and the objection period has passed without any objections being received;
4. Objections are to be given confidentially to the OMC chair within 7 days of her email or any shorter time specified;
5. If there are no objections the introducer then meets with the prospective member to provide information about Zonta and invite the prospective member to a dinner meeting;
6. The OMC committee requests the prospective member to complete a questionnaire at the meeting or requests verbal feedback;
7. Any questions from the prospective member are answered;
8. If the prospective member wants to join the club her induction is arranged and she can attend dinner meetings in the meantime;
9. It is a matter of personal preference as to whether the introducer pays for the guest's meal at the dinner meeting or the guest pays themselves;

Here's cheers to a fabulous year surrounded by good friends - thanks Zonta ladies for all your support!
