President's Message:

eNewsletter: December 2017

Dear Zontians,

Christmas seems to have come early for our Club with all the new resources ordered by the Advocacy Committee arriving in the past month. These resources will give our Club a terrific boost and a big thankyou to the members of the Advocacy Committee for obtaining the grant which enabled us to buy the new resources.

AS the year winds down, we seem to have arrested the loss of valuable members which was of concern to all and our meeting numbers are improving. I hope we see our numbers increased by new members in the New Year.

As in any club, we have "front of house" members but there are also "behind the scenes" members who quietly, unassumingly make the club work. Both groups of people have special skills, which are equally as important to the running of our club. Valda and her "events" committee have done a lot of overtime in planning for 2018. The calendar of events is looking good so please support each event as much as you can.

Plans for the Area Meeting 2018 are moving ahead. Dates, venues and guest speaker have been confirmed. Please highlight April 14 and 15 in 2018 in your new diaries then turn to March 8 and highlight that as well.

The promotion of the 16 Days of Activism has been outstanding. The displays have been impressive and hard hitting and thankyou to everyone who has helped to promote our cause - that we say NO to domestic violence. After this publicity, Zonta should not be a mystery in Rockhampton.

We have spread the word about the YWPA. Now we wait for entries.

Did you hear that a Diesel Fitter from Dalby has been awarded Australian Apprentice of the Year? A terrific achievement as she is working in a predominately male environment.

I hope 2018 is going to be a positive year for Rockhampton and our Club and I look forward to seeing the new banners flying high.

Happy Christmas to you and your families and a prosperous 2018 ahead.

Best wishes

Meredith
